## 04/08/2009 Publication Revision 1.3.0

## Chapter 2 – Processing Overview

### General Information

- Expanded the first series of bullets to include employment, reference, endorser, comaker and PLUS student data, and claim information (Issued 07/01/2001).
- Expanded the Note concerning Re-submittal record sets to include claim processing (Issued 07/01/2001).

### Record Type Overview

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).
- Added Record type 59 for “Reserved for future use” because it was originally missing (Issued 08/07/2006).
- Change Record type 06 to “Reserved for future use” because the Notice of New Loan Guaranty record was removed from CAM (Issued 07/01/2001).
- Record type 09, added the clarification that Acknowledgments are required for reinstatements only (Issued 07/01/2001).
- Record type 10, added the clarification that Acknowledgments are required for reinstatements only (Issued 07/01/2001).
- Add Record type 27, Master Promissory Note (MPN) Update record (Issued 07/01/2001).
- Added Record types 40-44, Default Aversion records (Issued 07/01/2001).
- Added Record types 50-58, 60-65, and 94 Claim records (Issued 07/01/2001).
- Modified the first footnote to the Record type overview table, removed reference to Record type 95, and added a second foot note to the Record type overview table to explain Record types 94 and 95 do not constitute the file level errors (Issued 07/01/2001).

### File composition

#### *Record*

- Added clarification when a carriage return/line feed is required for ASCII and EBCDIC files (Issued 07/01/2001).

#### *Record Set*

- The following note was added: For Federal Graduate/Professional PLUS loan, the borrower and student are the same. As such a Graduate/Professional PLUS loan does not require a second record set (Issued 08/07/2006).
- Added a new paragraph explaining record dependencies (Issued 07/01/2001).

## ***File***

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).
- Added reference to Record type 64 (Loan-Level Claim Payment Information) and 94 (Claim Payment Totals) (Issued 07/01/2001).

## ***Sorting***

- Section was added (Issued 07/01/2001).
- Expanded the explanation of sorting within a file (Issued 07/01/2001).

## ***SSN Changes***

- Removed 'From this point on (in this and' from the paragraph describing the SSN that should be submitted in future records (Issued 10/01/2007 Revision 1.1.0).
- Last two paragraphs of this section are new and are intended to provide suggestions on how to process SSN changes (Issued 07/01/2001).

## ***Submittal file composition***

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).
- Added reference to Record type 64 (Loan-Level Claim Payment Information) and 94 (Claim Payment Totals) (Issued 07/01/2001).

## ***Date/Time Stamp***

- Section was rewritten (Issued 07/01/2001).

## ***Confirmation file composition***

- Section was rewritten (Issued 07/01/2001).

## ***Return file composition***

- Section was added (Issued 07/01/2001).

## **Field Characteristics**

### ***Numeric fields***

- Added text regarding rounding to the penny (Issued 10/01/2007 Revision 1.1.0).

### ***Character fields***

- Added text to explain the error code to use when improper default values are used (Issued 07/01/2001).

### ***Loan identifier fields***

- In the last paragraph of the section, at the end of the last sentence, corrected the sentence to state that only the CL Unique ID and CL sequence fields should be filled in their return file (Issued 07/01/2001).

### **Matching/secondary matching**

#### ***Edits***

- The first two paragraphs were modified (Issues 07/01/2001).
- The third paragraph is new and explains the record status of L (Loaded with Errors) (Issued 07/01/2001).
- The first paragraph after the bullets was modified to explain the use of the standardized edit codes and specifically when and how to use Edit code 001 (Issued 07/01/2001).

### **Complete record set processing**

- Section was added (Issued 07/01/2001).

### **Implementation schedule**

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).
- Section was completely modified and a new table was added (Issued 07/01/2001).

### **Data Exchange**

- Section was modified to explain that information concerning the CAM file transmission alternative is included in the Technical Manual for CommonLine and Common Account Maintenance Processing. This information manual is available for download from the NCHELP web page, [www.nchelp.org](http://www.nchelp.org) (Issued 07/01/2001).

### ***Frequency***

- Modified the last paragraph to clarify what to do if the same type of change occurs more than once within one frequency period for the same person (Issued 07/01/2001).

#### ***Weekly***

- Added the detail about Default Aversion and Claim Records to the table (Issued 07/01/2001).

#### ***Monthly***

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).

*At least quarterly*

- Guaranty Fee references were replaced with Guaranty/Federal Default Fee (Issued 08/07/2006).
- Modified the last paragraph to include Record type 94 (Claim Payment Totals) (Issued 07/01/2001).
